## Bio

Collins & Finch are award-winning writers and creators. After a sell-out run in Edinburgh with their sketch troupe This Glorious Monster, they went on to develop the show for the BBC. Now with their hit sitcom SANDYLANDS (UKTV) (starring Hugh Bonneville, David Walliams, Sanjeev Bhaskar, Simon Bird and Sophie Thompson), shortlisted for ‘Comedy of the Year’ in both 2021 & 2022, and with multiple projects optioned, Collins & Finch are busy developing new shows for both the UK and the US.
