Bio

Judith is currently a freelance Line Producer working on HETV Drama and Comedy. Her latest project was BREEDERS S4, 10 X 30 Comedy/Drama made by Avalon for Sky/FX. Before that she worked on TRUELOVE, a 6 x 1 hr drama for C4 made by Clerkenwell Films. Between March 2016 and Dec 2021 she was at Baby Cow Productions as Head of Production. This followed over six years as a freelance Line Producer in TV narrative comedy. Judith also line-produced the feature film: David Brent – Life on the Road, written and directed by Ricky Gervais.

Before becoming freelance, Judith was staff at the BBC working on high-profile productions across both comedy and entertainment, in particular the annual Comic Relief/Sport Relief TV appeals where it was necessary to draw on her past experience of ‘shiny floor’ shows, comedy dramas, sit-coms and sketch shows.

Judith prides herself on putting together strong, efficient and happy production teams who work well together. She has a reputation for bringing shows in on budget whilst still managing to satisfy the creative needs of the talent, directors and producers.
