Bio

Richard is a London-based comedy writer/producer. He has recently finished writing THE COMPLETELY MADE-UP ADVENTURES OF DICK TURPIN, a comedy-adventure series for Apple+ with a star-studded cast that airs in 2024. He is now writing his own original comedy series in paid development with Apple+ as well as an original comedy pilot for BBC3. Prior to this, he produced the last four series of legendary sci-fi sitcom RED DWARF, most recently RED DWARF:THE PROMISED LAND a 90-minute special that was Dave's highest-rated show in seven years.
